

Subject: Press Release

12th Sept 2018

We are happy to announce that Drag2Death is being rebranded as atologic. The organisation is registered under MSME, Govt. of India with an approved legal name “atologic”. Our official facebook page has been renamed to “Atologic India” following the facebook rebranding guidelines.

We have also launched our new website **www.atologic.com** however the previous website **www.Drag2Death.com** will remain functional by the end of 2018 before being redirected to the primary website.

atologic is also registered under GST and operating from two regional offices and one development center. The addresses are mentioned on contact us page. All existing Esports community services including CS:GO servers, TeamSpeak VOIP server to remain functional without any changes.
